Build Relationships, Fund Impact

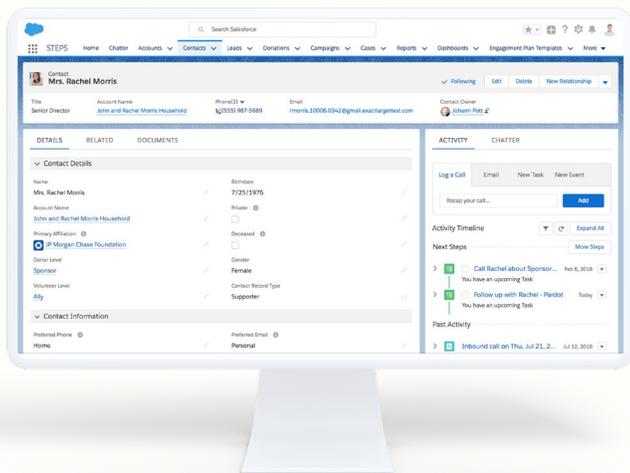

Experience Cloud for Nonprofits Enhancement

Experience Cloud for Nonprofits is a digital front door for your stakeholders to engage with your nonprofit, streamline self-service, and share the story of your mission's impact.

What's New? Increase donor engagement and reduce staff time. Enable donors to self-serve by looking up their donation history to see all donations for a given time-period, such as a tax year, in a new donor portal in Experience Cloud, saving staff time.
